## County League

RESULTS:Sneem/Derrynane 0-12 Furies 3-10

Sneem/Derrynane made the long trip to Farranfore to play Furies last Saturday. After a lot of missed chances by both sides early on Sneem/Derrynane were first on the score-board after 5 minutes when David Breen latched on to a breaking ball in the Furies goalmouth and flykick it over the bar. Furies responded quickly as Colm O Shea equalised and on the 8th minute they took the lead with a point from wing back Daniel O Shea. A minute later Adrian Breen with a free had the sides level. Colm O Shea put Furies ahead again in the 11th minute and 3 minutes later the same player put them two up. A nice move by Sneem/Derrynane resulted in Morgan O Donoghue finishing with a point. Colm O Shea pointed again for Furies and this was followed by a goal by Mike Daly to put Furies 1-5 to 0-3 up after 21 minute of play. During this period Mike Neill and David McGillicuddy were doing great work at the back for the away team. Joe Corridan had a point in the 25th minute to close the gap but further points by Mike Daly and Niall Foley for Furies had the half-time score at 1-7 to 0-4.

Furies were off and running with an Ian Crowley point after 1 minute but 2 points by Adrian Breen and another Joe Corridan point made it 1-8 to 0-7 after 15 minutes. Disaster then struck for the visitors as two quick goals by Furies killed the game as a contest. Sneem/Derrynane kept plugging away and 3 points by Joe Corridan had the score 3-8 to 0-10 after 20 minutes. Two Furies points were followed by points by Ian Galvin and Joe Corridan to leave the final score 3-10 to 0-12.

Being denied the services of Killian Burns and Denis Sullivan through injury and the continued absence of Ronan Hussey also through long term injury and to lose centre forward Darren Breen before half-time was it seems a bridge too far Sneem/Derrynane.
