Derrynane hosted Piarsaigh na Dromoda in Derrynane on Friday evening and it proved a very entertaining high scoring game with both sides showing great accuracy in front of goal. Donal Galvin was the first to make an impact as he rattled the Dromid net in the first minute. There were lots of good scores for both sides as the half progressed with Shane MacGillicuddy, Barry Clifford and Donal Galvin again pointing the way. At half time Dromid led 1.4 to 1.3. David MacGillicuddy again showed power coming forward from defence as he scored a cracking goal in the first minute of the second half and points came thereafter from Adrian Breen, Barry Clifford with two, Kevin O Sullivan keeping the game alive until the dying stages. But as the teams were level Jamesie O Sullivan came up with the winning score for the Dromid men in a well contested game.
